

Qixian Zhao

Tsinghua University, Jingzhai Rm 317 – Beijing, 100084, China

✉ zhao_qixiansinghua.edu.cn

Work

Postdoctoral Fellow

Yau Mathematical Sciences Center, Tsinghua University

Fall 2023 - Present

Advisor: Peng Shan

Education

Ph.D. Mathematics

University of Utah

2018 – 2023

Advisor: Dragan Milićić

M.A. Mathematics

University of Wisconsin-Madison

2016 – 2018

Concurrent Enrollment

University of California, Berkeley

Spring 2015

B.S. Mathematics and Applied Mathematics

Sun Yat-sen University

2013 – 2017

Publications and Preprints

- [1] Taiwang Deng, Chang Huang, Bin Xu, and Qixian Zhao. *On a geometric comparison of representations of real and p -adic GL_n* . 2025. arXiv: 2504.15653 [math.RT].
- [2] Qixian Zhao. “Kazhdan-Lusztig Algorithm for Whittaker Modules With Arbitrary Infinitesimal Characters”. Thesis (Ph.D.)—The University of Utah. PhD thesis. 2023, p. 106. ISBN: 979-8380-12644-1.
- [3] Qixian Zhao. “Kazhdan-Lusztig Algorithm for Whittaker Modules with Arbitrary Infinitesimal Characters”. In: *Algebras and Representation Theory* (2023). ISSN: 1572-9079.

Awards, Honors and Grants

Outstanding Qiuzhen Yiyou Award

Tsinghua University

2024

Outstanding Thesis Award

University of Utah

April 2023

Departmental Summer Research Fellowship

University of Utah

2022

Exchange & Visiting International Student Academic Excellence Award

University of Wisconsin-Madison

2017

Outstanding Graduation Thesis

Sun Yat-sen University

2017

Conferences and Workshops

Representation theory XVIII

Inter-University Centre, Dubrovnik, Croatia

Speaker

June 2023

Teaching

Tsinghua University.....

○ Algebra 2 Honors (TA) Spring 2025

○ Algebra 1 Honors (TA) Fall 2024

University of Utah.....

○ Math 1210: Calculus I (Instructor) Spring 2023

○ Math 2270: Linear Algebra (Instructor) Summer 2021

○ Math 1050: College Algebra (Instructor) Fall 2019 - Fall 2022

○ Math 1320: Engineering Calculus II (TA) Spring 2019

○ Math 2250: Differential Equations and Linear Algebra (TA) Fall 2018
